The Leavenworth Prizon.

Last week we had occasion to refer to the excuse made by the Leavenworth papers for the transfer of the United States prisoners from Wichita to that place. Below we append a latter from the Gray, Secretary of the latter from the office of the latter over the former to the amount of \$13,375,658. The total expenditures were \$274,628,392, which is a better showing than the Government has made before since 1861.

Hou. Alfred Gray, Secretary of the last fiscal year, leaving them in the charge of W. H. H. Keeney, Esq., on the south side of the Arkansas. Mr. S. returned this week to his home in New York and will probably return again this fall.

James MeBee has a curious and very fruitful kind of a squash. The vine in growing flattens out, becoming six inches or more in width. The squash-to the County Treasurer for the same of the probably return again this fall.
